Dear Parents and Carers,

SPRING CURRICULUM EVENING

Following the huge success of our spelling evening - which was well received - we are running another evening for parents on improving reasoning in maths. Within the new curriculum this is central to children's progress. We will explain what exactly reasoning is, how we encourage it within school and why it is important. It will take place on **7th March at 6pm** in the main hall. Please fill in the letter than was handed out today and return to the office.

PARENTS' EVENING

Tuesday 14th and Wednesday 15th March will be parents' consultation evenings where you will have the opportunity to speak to your child's teacher about their progress and areas to work on. On the reverse of this newsletter the exact timings are available. After half term, a letter will come out for you to request a time slot for these evenings. Please ensure you return these as promptly as possible and your teachers will do their utmost to fit everyone's preferences in.

SCHOOL WEBSITE AND NEWSLETTER

After half term, the newsletter will go down to fortnightly. This is because our excellent new website can host news and also holds a copy of the previous newsletter for dates and reference. There is also a copy of the menus on the website with dates for which week we are on. This will mean that the newsletter will become more of a celebration of our children's learning and what exciting events are going on at Wellesbourne.

DODGEBALL

Eight children from Year 5 represented South Warwickshire in the first ever Coventry, Solihull and Warwickshire Dodgeball Finals. They played 8 fast and furious games and were a credit to our school and area. Well done.

ST PETER'S

Community Prayer Time for our school: Friday 17th February 9am-ish main site Community Room. Parents and others are very welcome to join us. We pray using prayer requests written by the children and placed in our golden prayer boxes which are circulated to classes on both sites. These range from thanks for our families and homes to prayers for people in great need around the world. Adults are very welcome to contribute prayer requests too in the box in the main site foyer.

Coming up at St Peter's:

Sunday 19th January 10.15 am Faith in 50 Minutes - a celebration of Christian baptism - come and learn about how we can enjoy living as a baptised/christened person. Every Sunday 10.15am Church Centre - Connections for all the family - connecting faith with everyday life

THINKING DAY

On the 22nd of February, Girl Guides and Scouts celebrate World Thinking Day (also known as Founders Day). This day is a special day for all members to think about each other and the rest of the Guiding and Scouting communities. We are allowing all children who attend cubs, beavers, brownies, guides, cadets etc to wear their uniform to school on that day.

This half term we are thinking about '**Generosity**'

TEACHER TRAINING

We are once again pleased to be working with the University of Warwick to support the development of trainee teachers through high quality training, monitoring, assessment and support. We will have two students working with us for the rest of the year in KS2.

QUIZ WINNERS

Well done to the staff team (with a little help from Mrs Hewitt and Mr Oscroft) that won the quiz on Friday last week. The event was incredibly well attended - 21 teams - and the atmosphere was excellent.

A huge thank you must go to Mrs Balmer and her team for the incredible effort that went into organising the event and for DJ Dave McGuinness for hosting the event so well. The most important thing is that all those who took part have raised money for the children of our school. Well done if you came along and joined in.

NO FOOTBALL CLUB ON MONDAY

Because the teachers are out on training on Monday evening after school, there will be no **Football Club** after school. However, Young Voices and Tops will still go ahead as usual.

Red noses are available to buy from the school office for £1.00.

Have a great weekend

Mr Hewitt
 Head of School
