Dear Parents and Carers,

QUADKIDS

Congratulations to the children in Years 4, 5 and 6 who took part in the Quadkids athletic event at Kineton High School. Every athlete took part in all four events; a sprint run, a long distance run, a standing long jump and a vortex howler throw. Wellesbourne ranked first in both age groups and the Year 4 team will go on to represent South Warwickshire at the County School Games Finals. Well done!

DEFIBRILLATOR

WELL DONE to Mrs Hall who successfully completed her 10K run in Birmingham (in the rain) on 26th May. She has raised the fantastic amount of £670. We will now be able to go ahead and provide a heated air conditioned box to enable the defibrillator to be kept outside. A huge thank you to everyone who supported and sponsored her.

STAFFING FOR NEXT YEAR

After a busy period of rigorous interviews, we are delighted to announce that we have made all our appointments ready for next academic year.

As mentioned in a previous newsletter, **Mr Dan Hackett** will be taking on the Upper Key Stage Two leader role as a full time class teacher. This means that I will not be teaching a class but focus on the day to day running of the school.

Miss Olivia Watts has been appointed as a KS2 class teacher - she is a Newly Qualified Teacher and we are delighted to have her as part of our team.

Mrs Rachel Reed will also join our KS2 teacher to cover Mrs Dowbiggin's maternity leave - again we are very pleased with this appointment. Finally, just this week, we have **appointed Mrs Lucy Tibbits** to cover Mrs Prosser's maternity leave after a very successful interview.

Congratulations to all our new staff and I know that you, as parents and members of our community, will welcome them to the school.

Have an enjoyable weekend.

Mr Tim Hewitt
 Head of School

IMPORTANT INFORMATION ON THE ANNEXE BUILDING!!

As you may be aware, the building was due to be completed this summer term but due to planning objections, there have had to be changes and resubmissions which have caused a delay. However, following a successful planning meeting, the building will now go ahead with the reconfiguration of rooms in the current KS1 building starting on July 22nd. The main hall itself will be started in October and we hope to have occupation by half term in February at the very latest.

Therefore, as a result of this, the school will close at 1:30pm on 19th July to allow the removal firm time to pack and store the furniture and resources from the building.

Please collect your children from the usual place at 1:30pm. WOOSH will be available for **current** WOOSH children until 5:00pm. Any other parents who wish their child to attend WOOSH that afternoon will need to contact WOOSH on, 07790 596992 where some places may be available at a small cost until 3.15pm

Again as a consequence of the delays, we have had to put an additional INSET day at the start of next term to ensure that the classrooms are ready for the children. Therefore, Monday 2nd and Tuesday 3rd September will be INSET days (including Nursery) and all the children will start back on Wednesday 4th September.

We apologise for the disruption and we thank you for your cooperation.

WOOSH

We are currently accepting registration forms for WOOSH places for Sept 2019. If your child is not currently registered with WOOSH and you would like a place for September, please ask for a WOOSH booklet with registration form at the school office. If your child is currently on a plan, or attends on an ad-hoc basis, the new registration form **MUST** be completed. If your form is not returned by the deadline, you may lose your child's place and neither will we be able to accept your child, even if a place is available for any requested one-off sessions. Places are limited and filling up quickly. Sessions will be allocated on a first-come first-served basis (with preference given to current pupils and previous session times). The form needs to be returned to the attention of Ms Patané, **NO LATER than June 28th**. Written confirmation of your child's/children's place/places will be given no later than 12th July.

YEAR 2 VISIT

On Wednesday 22nd May, Year 2 had an exciting visit from a toys and games workshop. We were treated to a wide selection of toys from the past and even had the opportunity to play with them and decipher how they worked. We discovered that a lot of the toys were made from wood and used very clever mechanisms to move. There was not a battery in sight!! One of our favourite toys was a wooden crocodile who was able to walk down a ramp! We all had a fabulous morning and discovered lots of new facts about how toys work and who the teddy bear was named after and why.

CALENDAR DONATIONS

We are so lucky to have such a great community working to support us: caring parents and carers, a brilliant PTA and also an army of volunteers and helpers which includes many from the church. However, Rena McKenzie (pictured above handing me a large cheque) is another member of our school community who deserves a huge mention. You may have seen her, both around the village or online, selling her 'Wellesbourne Calendar'. This year she has again done brilliantly and raised just over £700 for the school. This will buy a brand new laptop for the children to use at the annexe as well as a few little extras. Thank you again, Rena! Also, thank you to all who bought the calendar too - it really does make a difference.
