Welcome Back!

Welcome back! I hope you were able to find some family time during the Christmas break and also some time to rest too. We have a quite 'short' but busy term ahead of us this spring. Parents' Evenings are coming up very soon, we have Road Safety events, exciting visits and trips and of course the teaching staff will be working hard to ensure children are learning well. Please check the back of the newsletter for key term dates and events happening soon.

Young Voices 2024

On Thursday 11th January, Mrs Hale and many members of staff took nearly 100 pupils to Resorts World near Solihull to perform at the 2024 Young Voices concert. The children sung beautifully (and with such passion!) and were sat right near the stage! A huge thank you to Mrs Hale for organising. This is a huge undertaking to prepare the children at the after school club, book the tickets and coach, sort and check all the t-shirts as well as all the usual risk assessments, trip planning and making sure ratios are correct. Thank you too to all the parents for their help and support as well as the staff who all gave up their time to assist the children in attending.

Staffing News

We have a new member of the office staff, Mrs Young, who will be working part time in the Junior school office. Mrs Jerrim is now working full time as Chief Finance Officer for the FOSSE MAT but will be based at Wellesbourne so she hasn't gone far! Also, our Deputy Head—Mrs Hale— is pregnant with her second child and will be starting her maternity leave in the summer term.

Attendance

Our approach to supporting attendance is based on recognising where and how we can work with children and families but also keeping families up to date on their child's attendance with information.

We will share their attendance at parents' evenings but we will also inform families when their child's attendance falls below a certain level at the end of each half term. The diagram below explains attendance in 'day missed' as well as percentages which is really much more helpful for parents and carers. The school website [HERE](#) has more information and some little tips to help support that attendance as, quite simply, the higher your child's attendance, the better their future life chances are. Therefore, it is important to discuss the importance of being in school as much as possible at home in order to support your child.
