Year 6 Residential 2024

The children in Year 6 went on an adventure last week when they visited Whitemoor Lakes to take part in their residential. The children enjoyed various challenges, as well as study time, which included: canoeing, climbing, the leap of faith, escape rooms and extreme teams amongst other activities. The children were superb and all had a great time—some having more sleep than others! The weather was lovely, the centre were really helpful and the food was amazing—with many children, and some adults, having second helpings. Some children even managed third or fourth helpings!

A huge thank you to all the staff who went on the trip to help the children have a very memorable experience. *Miss Gaskin, Mrs Butcher, Mrs Evans, Mrs Sussens, Mrs Dowbiggin* were all gave up their own time to ensure that a good time was had by all. A special mention to *Miss Watts* who did a lot of the organising and preparation and made sure Year 6 had a lovely trip away.

Garden Makeover

A big thank you to Counsellor Howes and his team for helping to tidy up and prepare the year 1 garden ready for gardening club to start this term. The year 1 children are very excited to get their hands dirty and learn about growing vegetables.

The garden has a new makeover complete with a hedgehog house and a lovely pond filled with tadpoles.

Joe Roebuck - Sports for School Athlete Visit

Earlier in the Spring Term, we were fortunate enough to have a wonderful visit from Olympic athlete Joe Roebuck. The children took part in a fundraising workout which concluded in an inspiring assembly led by Joe - all of the children had a wonderful time and were excellent. All the money raised by the children will be used to buy new play equipment for lunchtimes and new sports equipment. Thank you for your support.

Preschool—Nature Fun

In Preschool we have been exploring in our nature garden. We have been learning about Spring, new life and bugs! Using our new mark making and reading area, the children have been using different mark making tools to be creative. It means we give meaning to the marks we draw and talk about them in detail. The children have loved sharing

books together and looking at them independently. We have been talking about where the front cover is, titles and turning pages one at a time.

On our bug hunt, we used a magnifying glass to look at plants growing in more detail and we were excited to find ants, ladybirds and spiders.

WW1 Anderson Shelters

Year 5 enjoyed an amazing morning crafting their WW2 Anderson shelters in the hall last week. The children showcased exceptional collaborative skills and impressed the staff with their

imaginative and creative efforts. We were truly proud to see them collectively tidy and sweep the hall at the end, demonstrating admirable teamwork and responsibility.

Easter Bonnet Competition

During the Easter holidays many of our pupils entered the Easter Bonnet competition. During last week each bonnet has made it's way into school ready to be judged. Each and every design is equally unique yet amazing. These are only a few of the many entries we had submitted.

Well done to everyone who participated.
