Year 3 Trip to Tamworth Castle

On Wednesday this week, all of Year 3 journeyed up the M42 to Tamworth Castle as part of their history topic of learning on the Anglo-Saxon invaders. They studied armour and weaponry as well as taking part in a trail around the museum and learning more about the Anglo-Saxons throughout the day. The children were also lucky enough to see some of the Staffordshire Hoard which comprises of over 4,000 items and is worth over £3 million pounds.

Football Results

Well done to the school's Fitt4kids football team who have played a few matches as a team over the year against schools like Bridgetown and Bishopton School. Our team comprises of Years 4, 5 and 6 players and they have been playing against teams of mainly Year 6 pupils. They have narrowly lost two and today against Bishopton they played another match.

We will let you know how they did in the next Newsletter.

Active Travel Update

Thank you to all who took part in **Walk to School Week**—it really does make a difference. A special thank you to all who walked, cycled or scooted in the rain too! Other activities that have happened this year and that build on the previous years' work where the school was awarded the bronze and silver awards are:

- Road safety poster campaign.
- Starting a 'Bike Bus'—see the update below.
- 'Bling your bike' session.
- Special '**Road Safety**' sessions with Year 6 and Infant children.

Our aim is to achieve our **Gold Award** for road safety this summer and we will be attending a prize giving presentation where we have been given an additional award too!

In **March**, Wellesbourne School set up its very own Bike bus: the first in the Stratford District! We were supported initially by Simon Storey (The Bike Mayor of Warwick), who had set up and run successful bike buses in Leamington. Simon shared his vision with us, helped us to find the best routes to school to include stops for all the families who wanted to join, and even took part in some of our bike bus journeys. Our first ever journey was filmed by Michael Clifford, an award-winning director, who wanted to make a film about how to set up a bike bus. This group is now being led by parents, Ollie and Tom, who have since tried out new routes and made the project their own. Thank you for your hard work and commitment in giving this initiative sustainability. As Simon would say, "WARNING! Cycling to school causes extreme side effects that include being awesome, saving the planet and being a great role model. "

There will be an assembly on Tuesday 18th June to share the 'Bike Bus film' with the school. There will also be an opportunity for your child to ask any questions they may have. To find out more or to join the Wellesbourne Bike Bus, please visit the Wellesbourne Bike Bus Facebook page.
